2. NECESSITY FOR BUY-BACK

2.1 Share buy-back is the acquisition by a company of its own shares. Considering the current cash balance of the Company, the cash flows that the Company has been able to generate, the future projected cash flows of the Company and the anticipated funds required for capital expenditure and working capital to meet the expected future growth of the Company, the Board of the Company is of the view that the proposed Buy-back will help the Company achieve the following objectives:

- Optimize returns to Shareholders;
- Enhance overall Shareholders value; and
- Optimize the capital structure.

2.2 The above objectives will be achieved by returning a part of its surplus cash back to the Eligible Shareholders as on the Record Date through the Buy-back process. This may lead to reduction in outstanding Equity Shares, improvement in EPS and enhanced return on invested capital.

2.3 The Board at its meeting held on April 06, 2018, considered the accumulated free reserves as well as the cash liquidity reflected in the audited accounts as on March 31, 2017 and considering these, the Board decided to allocate a sum of Rs. 235,20,00,000 (Rupees Two Hundred and Thirty Five Crores and Twenty Lakhs only) excluding Transaction Costs for the Buy-back.

2.4 After considering several factors and benefits to the members holding Equity Shares of the Company, the Board decided to recommend Buy-back of not exceeding 11,20,000 (Eleven Lakh Twenty Thousand Only) Equity Shares (representing 2.40% of the total number of Equity Shares of the Company) at a price of Rs. 2,100 (Rupees Two Thousand One Hundred only) per Equity Share for an aggregate consideration of Rs. 235,20,00,000 (Rupees Two Hundred and Thirty Five Crores and Twenty

Lakhs only) excluding Transaction Costs. The Buy-back is being undertaken, *inter-alia*, for the following reasons:

- The Buy-back will help the Company to return a part of its surplus cash to its members holding Equity Shares broadly in proportion to their shareholding, thereby, enhancing the overall return to members;
- The Buy-back, which is being implemented through the tender offer route as permitted under the Buy-back Regulations, would involve allocation of number of Equity Shares as per their entitlement or 15% (fifteen percent) of the number of Equity Shares to be bought back whichever is higher, reserved for the Small Shareholders. The Company believes that this reservation for Small Shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder" as per Regulation 2(1)(a) of the Buy-back Regulations;
- The Buy-back may help in improving return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders' value; and
- The Buy-back gives an option to the members holding Equity Shares of the Company, who can either (a) choose to participate and get cash in lieu of Equity Shares to be accepted under the Buy-back offer; or (b) choose to not participate and enjoy a resultant increase in their percentage shareholding, post the Buy-back offer, without any additional investment.

3. BUY-BACK PRICE AND BASIS OF DETERMINING THE PRICE OF THE BUY-BACK

3.1 The Equity Shares of the Company are proposed to be bought back at a price of Rs. 2,100 (Rupees Two Thousand One Hundred only) per Equity Share viz., the Buy-back Price. The Buy-back Price has been arrived at after considering various factors including, but not limited to, the trends in the volume weighted average market prices of the Equity Shares on the Stock Exchanges where the Equity Shares are listed, the net worth of the Company, the price earnings ratio, the impact of the Buy-back on other financial parameters and the possible impact of the Buy-back on the earnings per share ("EPS").

3.2 The Buy-back Price represents:

- a premium of 13.35% and 13.74% over the volume weighted average market price of the Equity Shares on the BSE and on NSE, respectively, during the three (3) months preceding April 03, 2018 viz., the date of intimation to the Stock Exchanges for the Board Meeting to consider the proposal of the Buy-back; and
- a premium of 18.36% and 18.12% over the volume weighted average market price of the equity shares on the BSE and on NSE, respectively for a period of two (2) weeks preceding April 03, 2018 viz., the date of intimation to the Stock Exchanges for the Board Meeting to consider the proposal of the Buy-back.

3.3 The Company confirms that as required under Section 68(2)(d) of the Companies Act, the ratio of the aggregate of secured and unsecured debts owed by the Company will be not more than twice the paid-up capital and free reserves after the Buy-back.

4. MAXIMUM AMOUNT REQUIRED FOR BUY-BACK, ITS PERCENTAGE OF THE TOTAL PAID UP CAPITAL AND FREE RESERVES AND SOURCE OF FUNDS FROM WHICH BUY-BACK WOULD BE FINANCED

4.1 In accordance with the provisions of the Companies Act, the Buy-back Size i.e. Rs. 235,20,00,000 (Rupees Two Hundred and Thirty Five Crores and Twenty Lakhs only) represents 24.69% of the aggregate of the fully paid-up equity share capital and free reserves (including securities premium account) of the Company, as per the audited accounts of the Company for the financial year ended March 31, 2017 (the last audited financial statements available as on the date of Board Meeting approving the proposal of the Buy-back) and is within the statutory limits of 25% of the total fully paid up equity share capital and free reserves as per the audited accounts of the Company for the financial year ended March 31, 2017.

4.2 The funds for the implementation of the Buy-back will be sourced out of the general reserve of the Company which qualifies as a free reserve under the Buy-back Regulations or the Companies Act. The Company shall transfer from its free reserves, a sum equal to the nominal value of the Equity Shares bought back through the Buy-back to the Capital Redemption Reserve Account and the details of such transfer shall be disclosed in its subsequent audited financial statements.

4.3 The Company has not issued any Equity Shares from the date of receipt of approval of the Equity Shareholders for the Buy-back and shall not issue any Equity Shares including by way of bonus till the date of closure of the Buy-back offer under the Buy-back Regulations.

4.4 The ratio of the aggregate of secured and unsecured debts owed by the Company will be not more than twice the paid-up capital and free reserves after the Buy-back.

4.5 The funds borrowed, if any, from banks and financial institutions will not be used for the Buy-back.

9.5 At the beginning of the tendering period, the order for buying Equity Shares shall be placed by the Company through the Company's Broker. During the tendering period, the order for selling the Equity Shares will be placed in the Acquisition Window by Eligible Shareholders through their respective stock brokers (each a "Shareholder Broker") during normal trading hours of the secondary market. The respective Shareholder Brokers can enter orders for Equity Shares held in physical form as well as dematerialized form. In the tendering process, the Company's Broker may also process the orders received from the Eligible Shareholders.

This shall be validated at the time of order/bid entry.
- The details of the special account of Clearing Corporation shall be informed in the issue opening circular that will be issued by BSE/Clearing Corporation.

Thereafter, all unconfirmed orders shall be deemed to be rejected. For all confirmed custodian participant orders, any order modification shall revoke the custodian confirmation and the revised order shall be sent to the custodian again for confirmation.
- Upon placing the bid, the Shareholder Broker shall provide a Transaction Registration Slip ("TRS") generated by the exchange bidding system to the Equity Shareholder on whose behalf the order/bid has been placed. The TRS will contain details of order submitted like Bid ID No., Application No., DP ID, Client ID, No. of Equity Shares tendered etc.

11.1 As required under the Buy-back Regulations, the Company has fixed June 7, 2018 as the Record Date for the purpose of determining the entitlement and the names of the Shareholders, who are eligible to participate in the Buy-back.

11.2 The Equity Shares proposed to be bought back by the Company, as part of this Buy-back shall be divided in two to categories:

- reserved category for Small Shareholders (A "Small Shareholder" is defined in the Buy-back Regulations as a shareholder, who holds Equity Shares having market value, on the basis of closing price of the Equity Shares on the recognized stock exchange registering the highest trading volume in respect of such shares, as on Record Date, of not more than Rs. 2,00,000 (Rupees Two Lakhs) and
- the general category for all other Shareholders, and the entitlement of a Shareholder in each category shall be calculated accordingly.

11.3 In accordance with the Regulation 6 of the Buy-back Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to Buy-back, or number of Equity Shares entitled as per shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buy-back.

11.4 Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Shareholder to tender their Equity Shares in the Buy-back. This entitlement for each Shareholder will be calculated based on the number of Equity Shares held by the respective Shareholder as on the Record Date and the ratio of Buy-back applicable in the category to which such shareholder belongs. The final number of Equity Shares the Company will purchase from the Shareholders will be based on the Equity Shares tendered. Accordingly, in the event of the overall response to the tender offer being in excess of Buy-back Size, the Company may not purchase all the Equity Shares tendered by the Shareholders over and above their entitlement.

11.5 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Shareholders in that category, and thereafter from Shareholders who have tendered over and above their entitlement in other category.

11.6 The Eligible Shareholders' participation in the Buy-back will be voluntary. The Eligible Shareholders can choose to participate, in full or in part, and get cash in lieu of Equity Shares to be accepted under the Buy-back or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buy-back, without additional investment. The Eligible Shareholder may also tender a part of their entitlement. The Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any. If the Buy-back entitlement for any Eligible Shareholder is not a round number, then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buy-back.

11.7 The maximum tender under the Buy-back by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date.

11.8 The Equity Shares tendered as per the entitlement by the Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in the Buy-back Regulations.
